

## Cushions

**Short description:**

Handmade custom cushions in faux suede and linen

**Long description:**

A few carefully designed cushions can easily transform the mood of any room. Our global throw cushions are handmade to order with a range of materials to choose from.

Using your artwork, they are printed on demand in full colour with a full bleed. The cushion fabric is created using a dye sublimation print process to give superior reproduction quality, with unrivalled durability and colour vibrancy.

Our faux suede cushions are elegant and decorative. Choose to print your image front and back, or have a single sided print with a stone coloured back and zip.

Our faux linen cushions have a soft and luxurious feel. Opt to print your bespoke image front and back, or have a single sided print with a white coloured back and zip.

Prodigi print on demand cushions are available in square, oblong, round or heart shapes in a range of sizes.

The cushions can be ordered with either a virgin fibre or 100% polyester filling.

Please note: faux-suede cushions shipped from the US and MX will arrive with a white-coloured back. Each side of the pillow case should measure to the size ordered with a 0.25-0.5 inch tolerance. Cushions may also appear smaller than specified size once filled.
