

Gaming mats

Short description: Custom gaming mats

Long description: Our custom neoprene gaming mats are perfect for avid gamers. Measuring 31" (when fulfilled in UK) or 33.8" (when fulfilled in US) in length, these extended gaming mats support both optical and laser mice.

Made from 3mm thick neoprene for comfy cushioning, each custom gaming mat benefits from a smooth, pill-resistant microtexture surface to ensure precise mouse control. A non-slip base helps keep them from sliding during use.

Artwork is printed onto a pure-white base using dye-sublimation technology to ensure a crisp, colourful result, while overlocked seams prevent fraying at the corners.

Features:

- 3mm thickness
- Neoprene cushioning
- Supports optical and laser mice
- Resistant to pilling
- Accurate mouse control
- Anti-slip base
- Great colour reproduction
- Overlocked seams
