

## Maple wood prints

**Short description:** Eco friendly wooden prints

**Long description:** If you'd like to offer something that's a bit different in your online store, why not include a selection of these striking prints - made on certified sustainable maple wood board.

The stunning wood grain shows through the light or non printed areas of the image, producing a natural warm tone and retro vintage feel.

We offer an optional white ink underlay print on the wood if you prefer a more contemporary style.
