

## Metallic foil prints

**Short description:**

Metallic prints with a gold or silver foil finish

**Long description:**

Create your own statement foil art with our stunning prints in gold or silver – perfect for showcasing everything from graphic illustrations and abstract art to text-based designs.

Designed to make your images pop, you can choose exactly where you want the gold or silver foil to appear in your custom design. And if you think these prints have the wow factor, just wait until you see our framed foil art.

What's more, our advanced print technology puts us in a unique position to provide short print runs without any setup costs, enabling you to order custom foil prints as one-offs or in large quantities, both at scale and at speed. We can also produce prints sized up to a massive 40x80", giving you the flexibility to create and sell these specialist prints without limits.

Our foil art prints are made from a non-woven material with a polyester backing for a premium, heavyweight feel. They come in sizes ranging from 4x6" to 40x80" and are dropshipped direct to your customers in a recyclable cardboard tube, rolled and ready for framing.

Read our foil printing setup guide to prep your files for production.

Please note: Transparent areas in your artwork will show the material's gold or silver background.
